BALANCE SHEET AND INCOME & EXPENDITURE ACCOUNT FOR THE YEAR TO 30 SEPTEMBER 2024

Pages 1 - 6 of the financial statements for Highcliffe Sailing Club Limited are presented in a statutory format. The Income and Expenditure Account, which will not be filed with Companies House, provides more information about the club's activities.

The club made a deficit in the year after taxation of £6,269 compared with a surplus of £22,142 last year. The main reasons for the deterioration are:

| | £ |
|--|----------|
| Deficit after taxation last year | 22,142 |
| Increase in membership with a full dinghy park. | 10,263 |
| Disallowed VAT on revenue costs for 6 months. | 7,180 |
| ► Interim part-time Club manager (for duration of the remainder of the lease 2003-2028) | (20,125) |
| Depreciation of the club improvements over the term of the lease and write offs. | (9,422) |
| Clubhouse costs - electrical inspection, cleaning & alarms. | (8,586) |
| Rates valuation challenged. | (2,780) |
| Sailing expenses - RIB & club boat repairs. | (2,789) |
| → Other | (2,152) |
| Surplus after taxation this year | £(6,269) |

The Income & Expenditure KPI Graph shows the trends over the years highlighting the growth in membership which is offset to some extent in the increased cost of running the club. £45k COVID grants were received in 2020 and 2021 less Corporation Tax.

Costs continue to be contained and income generated, by using a team of volunteers to carry out maintenance and run events.

CASH FLOW

The opening cash balances of £126,065 were increased by the £28,070 surplus before depreciation etc, reduced by a £43,049 capital expenditure, and then increased by a £15,468 reduction in net current assets, resulting in a cash balances of £124,245 at the end of the year.

The bank balance at the end of the year includes payments in advance of £68k in respect of membership renewals and social tickets. This leaves £58k surplus cash which enables us to meet forecast committments to the end of the lease in 2028.

RISKS

The club lease expires on 31 August 2028 and negotiations have started. The 2023 rate valuation has been challenged and the outcome awaited. Other risks include a lack of volunteers and a loss of knowledge to run the club.

BALANCE SHEET

Under fixed assets, capital expenditure in the year totalled £43,039, of which £24k was for the gents changing room, £7k for two RS Zests, £5k for bar works, and £4k for the new front door. Depreciation totalled £31,201 with £3,138 of old gents changing room works written off.

The Capital Expenditure KPI Graph shows that £77k was spent on balcony works and furniture, £43k on club boats, £35k on the changing rooms and £23k on the bars and galley over the last 7 years.

The balance of the Youth Development Fund has been utilised by Seals training costs provided by Shoresports.

Net current assets decreased from £76,707 to £61,739 largely due to the timing of membership renewals and payments for social events.

The total net assets of the club decreased from £199,186 to £192,917 at September 2024 being the £6,269 deficit for the year.

INCOME AND EXPENDITURE ACCOUNT

Income totalled £143,651 (last year £120,227) less direct costs of £49,349 (last year £35,713) gives a gross surplus of £94,302 (last year £84,514) and less administrative costs of £100,513 (last year £62,421) arrives at an operational deficit before taxation of £6,211 (last year surplus £22,093). After taxation a deficit of £6,269 (last year surplus £22,142).

Membership Numbers

The engagement of a Club Manager has enabled membership to be reopened with an increase from 707 to 778 with membership units increasing from 317 to 353. The dinghy park remains full with a few more spaces rented from the Council. See the Membership Numbers KPI Graph.

Income less Direct Costs

Water Activities

This year we held a Contender open meeting with 22 boats competing. Last year we held the Hadron 2 National Championships with 20 boats competing.

Training continued for Seals, Ladies That Launch, Blokes in Boats, Kayaks and SUPs to grow in conjunction with Shoresports.

Dinghy and kayak hire continues to be very popular at very competitive prices.

Bar, Galley & Social

Social events grew due to the successful dinner dance at the Harbour Hotel. Bar prices have hardly changed and the gross profit has hardly changed. Galley income is from the open event, while the cost of free tea and coffee is about £250 in the year.

Other Income

The club benefitted from higher interest rates on deposits.

Administrative Expenses

Our rating consultant successfully challenged our 2017 rate valuation resulting in a refund last year. The 2023 valuations has been doubled and this has been challenged. Rates are shown net of 75% retail, hospitality & leisure relief.

Clubhouse costs were higher due to the 5-yearly electrical inspection £3k, increased frequency of cleaning £3k and alarm costs £1k.

Office manager from October 2023

Disallowed VAT is lower because we de-registered for April 2024 which means that we don't have to charge VAT on the likes of socials but cannot reclaim back VAT on elements of expenditure. The main advantage is that it will save a great deal of administration time.

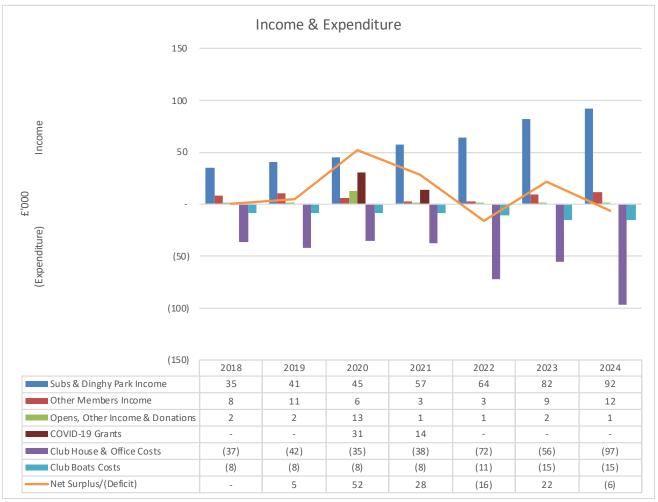

Taxation

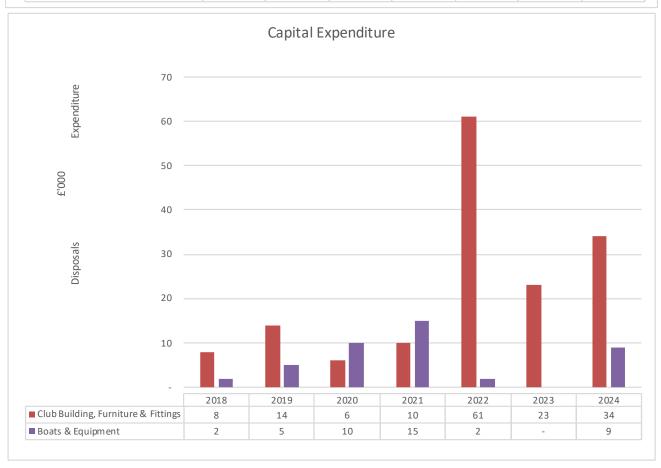

Corporation Tax is potentially payable on interest income less relief for expenditure on grass roots sport. Calculations indicate that no Corporation Tax is payable with trade with non-members.

If you have any questions, please contact me.

INDEPENDENT ACCOUNTANT'S REVIEW

This report is made to the directors. My work has been undertaken to review for approval by the directors the financial statements for the year ended 30 September 2024 that have been prepared by the treasurer, to report to the directors that I have done so, and to state those matters that I have agreed to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Company and the Company's directors for my work or for this report.

You have acknowledged on the balance sheet as at period ended 30 September 2024 your duty to ensure that the company has kept proper accounting records and to prepare financial statements that give a true and fair view under the Companies Act 2006. You consider that the company is exempt from the statutory requirement for an audit for the year.

I have not been instructed to carry out an audit of the financial statements. For this reason, I have not verified the accuracy or completeness of the accounting records or information and explanations you have given to me and we do not therefore express any opinion on the financial statements
